***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance: Prior art of the record fails to teach distinctly or obviously in a pertinent manner the limitations of equipment management data which is command data when the first information about transmission order is later than the second information, and for discarding the current command data when the first information about the transmission order is not later than the second information (page 14 of specification lines 1-20). The prior art of record fails to teach discarding of messages that are not received in appropriate order, for the purpose of equipment management. According to the specification a computer medium is limited to tangible item like disks (page 17 of specification, line 7). The prior art of record teaches discard of message, not received in a correct time period, duplicate message, message that have been invalidated, but fails to teach message that are discard based upon transmission order for the purpose of equipment management.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure are disclose in the PTO-892.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ajay M. Bhatia whose telephone number is (571)-272-3906. The examiner can normally be reached on M-F 8:30 am - 5:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jason Cardone can be reached on (571)272-3933. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
